XM Radio has been very pleasant to my ears! The variety and selection of channels is outstanding. I happen to live in a smaller border style town with a very limited range of music styles. And this selection makes it easier to broaden my spectrum of music. And not only music, but comedy, news, sporting news, talk radio, traffic and weather. We pay for this service and should have the variety and quality that we as citizens deserve. I respectfully urge you to consider this petition. (petition 04-160).Thank You for your consideration.
